

# BEYOND INSURANCE®

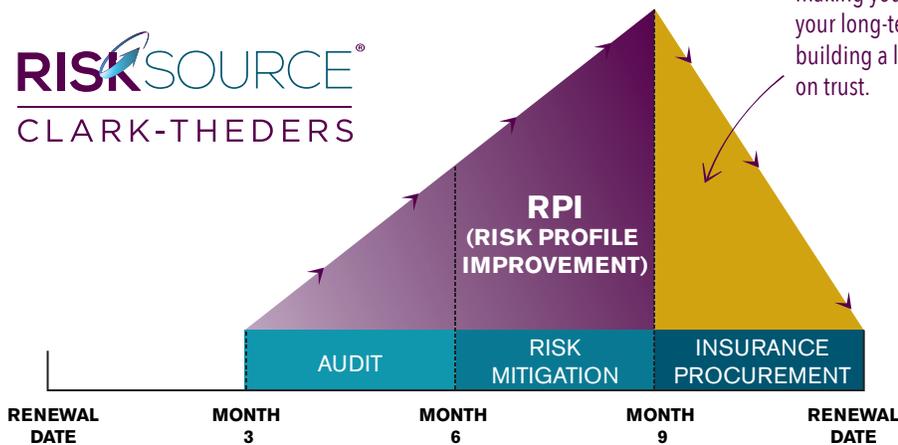

HELPING YOU  
REDUCE RISK

## TRANSACTIONAL BROKER

With the traditional insurance bidding process, renewal time typically starts when the market is saturated. This leads to rushed procurement of insurance with client risks issues being unnoticed and increased risk.

**RISK**SOURCE®  
CLARK-THEDEERS

Our approach leads to claims reduction, reflecting RPI, making you money, lowering your long-term risk, and building a lasting relationship on trust.

## Safeguard and strengthen your company.

By implementing a risk management program your business will become healthier and safer. Insurance is more than a transaction, **it's an investment that protects and strengthens your organization.**

## Attain a risk manager who is an extension of your team.

We identify your exposures, and then design a plan tailored to **help you reduce risk and lower insurance costs** in the long run. Then we monitor that plan to ensure it's a perfect fit as your business evolves.

## Get superior coverage at a competitive price.

By taking the time to identify exposures and implement programs to reduce risk, your organization can secure better coverage at a fair price. **Our clients have saved on average 17 percent in the first year.**

## And...Do it all at no additional cost to you.

You'll find the process requires **very little work on your end and no additional cost.** We make the investment to get to know you and want to earn the right to be your insurance and risk manager.
